How to Get the Pack

1. Go to <https://education.github.com/pack>
2. Sign in with your GitHub account.
3. Verify you're a student (via .edu email or student ID).
4. Claim offers one-by-one from the dashboard.

Pro Tip:

You don't need to claim everything at once. Only activate what you're using. Many services have **activation windows**, so plan your usage smartly!
